Art on Main: Bistro Sets

Local artists are invited to participate in the 2024 Art on Main project benefitting Historic Downtown Kendallville (HDK).

In previous years, Art on Main has featured bee boxes, bird baths, and scrap metal art sculptures. For 2024, the selection is bistro sets, including two chairs and a table. Sets are available for artists to transform on a first-come, first-served basis. Sets may be painted and/or embellished in any way that results in a family-friendly design and is sealed properly for long-term, outdoor use.

As artworks are completed, the bistro sets must be returned to HDK by no later than **Friday, May 10**. Sets will be displayed along Main Street throughout the summer and auctioned off to benefit HDK's mission in the fall.

There are just a handful of bistro sets still available, so if you are a local artist and are interested in participating, please contact us ASAP to let us know at kendallvillemainstreet@gmail.com.
